Chief Deputy Cass works in a cooperative manner with all of the law enforcement and emergency response agencies in Paris and Lamar County, Texas. There has never been a peace officer attend the FBI National Academy from the Lamar County Sheriff's Office. I feel that Chief Deputy Cass will uphold the tradition of the academy and will utilize the skills taught there upon returning to his agency. As a FBI National Academy alumni, (180th Session), I wholeheartedly and without reservation make this nomination.
